From President Art...

Greetings BMW Club Members,

Is it spring yet??? We sure have been bombarded by lots of snow and rain, but our club events must go on.

I have been fortunate to attend the *Virginia City drive* and the drive to the *Tahoe Maritime Museum*. It is nice to see some new faces especially at the Virginia City drive. Hats off to you, **John English**, for coordinating our events. We have the *Tahoe Gal* event with the Sacramento Chapter on Saturday, June 25th and the overnight trip to the *Blackhawk museum* on July 9 and 10th. I hope many of our members can attend and participate on these two upcoming events. Those of you who have not attended any of our club events, please come and join us!!!!

I want to thank **Gilbert** and **Sonny** for hosting the *barbeque* at their house on May 14. I heard that 22 people attended even when the weather wasn't perfect. There are some great pictures of the event in this issue of the newsletter and on our web site.

And finally, I want to introduce Reno's newest car facility, MINI of Reno, which is beside Bill Pearce Motors on 11555 South Virginia Street. **Jeff Leathers** took me on a tour of the facility and I was quite amazed on the design and layout of the facility. As Jeff stated "The building is true to the individuality of the Mini". Everyone is invited to their Grand Opening on June 24th to June 26th. Come check out their new facility along with their inventory of new and pre-owned Minis. It will also be posted on our web site.

MINI of Reno

Enjoy the club and drive safely. Hope to see you all at the coming events!

Tour to the Tahoe Maritime Museum

The group gathers to listen to the presentation on the museum. The displays were very interesting – the boats were spectacular!

It's always fun to drive over Mt. Rose Highway to Tahoe! The weather on Saturday the 21st of May cooperated nicely.
